Art.-No. 4320100247

Field of application | use

Additional module in the flair PROFESSIONAL PREMIUM system. Boosts the washing performance. Highly effective against protein, grease and oily grime. Application is carried out using the Hagleitner integral 1FLAIR dosing unit.

Dosage

It can only be used with the automatic Hagleitner integral 1FLAIR dosing unit. The professional adjustment of the unit is performed by trained Hagleitner application technicians.

Safety information

Please follow the standard safety measures when handling chemicals. Always read the product label before use. Keep out of reach of children. Do not mix with other products.

Storage

To maintain product quality, store closed and in a dry place at room temperature.

Product recommendation

For optimum cleaning and disinfection of the washing machine porthole, we recommend XIBU 2WIPE hybrid with hup DES FORTE.
