Product description

Liquid, highly concentrated detergent for coloureds and delicates for laundry cleaning at 30 °C to 95 °C. Contains no bleaching agents or optical brighteners, ensuring optimum cleaning and care of coloured or delicate fabrics. Free of NTA, EDTA and phosphates.

Packaging unit

25 kg canister

Art.-No. 4320100646

59 kg canister

Art.-No. 4320100647

Field of application | use

Basic and additional module in the flair PROFESSIONAL PREMIUM system. Excellent at removing grease and dirt stains making this product suitable for the cleaning and care of coloured cotton, mixed fabrics and delicates. Not suitable for wool and silk. The colours of the fabrics are protected by added colour transfer inhibitors. Application is carried out using the Hagleitner integral 1FLAIR dosing unit.

Dosage

It can only be used with the automatic Hagleitner integral 1FLAIR dosing unit. The professional adjustment of the unit is performed by trained Hagleitner application technicians.

Safety information

Please follow the standard safety measures when handling chemicals. Always read the product label before use. Keep out of reach of children. Do not mix with other products.

Storage

To maintain product quality, store closed and in a dry place at room temperature.

Product recommendation

For optimum cleaning and disinfection of the washing machine porthole, we recommend XIBU 2WIPE hybrid with hup DES FORTE.
